FINANCIAL POLICY FOR COSMETIC SURGERY

- Cosmetic fee quotes are good for 3 months from the date of the consultation.
- A non-refundable \$500 deposit will be collected in order to secure a surgery date and applied to final surgery payment.
- Pre-op visits are scheduled 7 - 10 days prior to the scheduled surgery.
- Payment for cosmetic surgery will be due, *in full*, at your pre-op visit.
- All surgery fees may be paid by Cash, Bank/Certified Check, Visa, Mastercard or American Express.
- Financing is offered by our office through Care Credit. You may go on line to www.carecredit.com to apply.
- CANCELLATION POLICY: If surgery is cancelled one week or less before the scheduled surgery date, patient will be responsible for a cancellation fee of 50% of Dr. Harris' quoted surgery fee.
- If revisional surgery is deemed necessary by Dr. Stephen Harris, Dr. Harris may waive his surgery fee. Patient will be responsible for facility and anesthesia fees only (and implant fees, if applicable).
- Surgery may be performed in an outside facility such as Good Samaritan Hospital in West Islip, Island Surgery Suite in East Northport or Southside Hospital in Bayshore. Your quote will also include facility and anesthesia fees. These fees are determined by the facility/anesthesia group. The quoted fee is an estimate of the time Dr. Harris feels he will need to perform quoted surgery. If this time differs from the actual surgery/anesthesia time, you will be billed from the Facility/Anesthesia Group accordingly. All questions regarding any additional charges incurred should be directed to the Facility/Anesthesia group.
